LOVE, JAIL, OR DEATH

ON ONE HAND, I USED MY BUSINESS ACUMEN TO TRIPLE PROFITS FOR THE FAMILY, BUT I NEVER IMAGINED WHAT WOULD AWAIT ME ON THE FLIP SIDE OF THIS COIN.

MAFIETTA 2: A HOUSE DIVIDED TO BE RELEASED MAY 12

E.W. Brooks is a dynamic and profound novelist who draws you onto an adrenaline rollercoaster via her "Mafietta" novella series." MAFIETTA 2 : A HOUSE DIVIDED" is a brilliantly entertaining and captivating novel that demands your attention as the story unfolds and Clarke, the story's protagonist, is left to take control of the scandalous underworld Brooks has created.

"For the smiling faces around me; Independence Day symbolized freedom. As for me, I couldn't be more trapped." – Clarke, Mafietta 2: A House Divided

E. W. Brooks is the founder of the Campbell Sisterhood, an organization geared toward supporting and empowering Army Wives. As a result of her love for the Military family; Brooks will donate 10% of the novel's proceeds to the Military Matters Project. While Brooks' novels may depict a woman empowered by her dealings on the wrong side of the law, it doesn't negate the fact that Clarke's path to self discovery is one all women can learn from.

"Buckle your seat belts and hide your kids because "Mafietta" is one relentless thrill ride from beginning to end. Female empowerment is boasted proudly in this fast paced novel. Brooks doesn't hold back as she challenges the characters' mental and spiritual development throughout the book. "Mafietta" is a highly recommended book club favorite." - M. White, Author
